

Restriction Of the use of certain Hazardous Substances (RoHS) Compliance Policy

Advanced would like to advise you of our ongoing efforts to ensure the compliance of our products under the Restriction of the Use of Certain Hazardous Substances (RoHS) in Electrical and Electronic Equipment Directive recast 2015/863.

The UK regulations on RoHS “restricts the use of certain hazardous substances in electrical and electronic equipment.” In effect, new electrical and electronic equipment can contain only agreed levels of the following substances:

- Cadmium (Cd): < 100 ppm
- Lead (Pb): < 1000 ppm
- Mercury (Hg): < 1000 ppm
- Hexavalent Chromium: (Cr VI) < 1000 ppm
- Polybrominated Biphenyls (PBB): < 1000 ppm
- Polybrominated Diphenyl Ethers (PBDE): < 1000 ppm
- Bis(2-Ethylhexyl) phthalate (DEHP): < 1000 ppm
- Benzyl butyl phthalate (BBP): < 1000 ppm
- Dibutyl phthalate (DBP): < 1000 ppm
- Diisobutyl phthalate (DIBP): < 1000 ppm

Advanced Electronics Ltd. are required to ensure that if any of these substances are identified in our products, that their presence is communicated to our customers if present above the restricted levels.

Please be assured that if any substance is identified in any of our products above the threshold, we will ensure that this information is communicated to our customers.

We are committed to building a safer, cleaner, healthier future for everyone, every day by ensuring we are compliant with all environmental legislation.
If you have any questions regarding this letter, please do not hesitate to contact us.

A copy of this RoHS policy is available on our website at <https://uk.advancedco.com> through your Advanced360 account.
