Job Vacancy

Production Team Leader – Metalwork

About Us:

Advanced Electronics have been designing and manufacturing life-saving products for over 20 years, protecting iconic buildings across the globe and the people within. Our team members are passionate, driven and up for a challenge.

We are a wholly owned subsidiary of Halma plc, a FTSE 100 listed company. Halma is “a market leader in specialist safety, health and environmental technologies” and has a purpose of ‘Growing a safer, cleaner, healthier future for everyone, every day’.

The Job:

We’re looking for a Production Team Leader to come and join us! This is a hands-on role, where you will support the Production Manager to deliver production plans, work to and achieve daily targets and implement continuous improvements.

The ideal candidate will have worked in a fast-paced manufacturing environment in a similar role and must have experience managing a team. They will be an effective communicator and able to proactively work with different stakeholders across the business.

This is a great opportunity to work with a team who deliver great outcomes on behalf of the business.

Key Requirements of the role include:

- Effectively carrying out key processes including.
 - CNC Punch press, CNC Press brake, Welding & Powder coating.
 - Understanding engineering drawings, documentation, and material flow/handling.
- Leading, supporting, and developing the team, prioritising, and allocating their workloads, ensuring objectives are clear and deadline are met.
- Ensuring the efficient running of the facility; quality control, operational efficiency, and waste minimisation.
- Ensuring all daily production targets are met.
- Reviewing and managing first time yield.
- Ensuring Kanban and procured stock levels are maintained.
- Working closely with Planning, Assembly and Quality to ensure orders are processed on time.

Who are we looking for?

- You have experience in a similar role/environment and have managed and led a team.
- You are forward thinking with a continuous-improvement mindset.
- You have strong organisation and planning skills.
- You are reliable and able to demonstrate a flexible approach.
- You have strong written and verbal communication skills, able to communicate with a wide range of people in a constructive and influential way.
- You can solve problems and demonstrate a high integrity in a life critical environment.

Working hours: Currently 3 shift rotation, including an early shift, back shift and nightshift.

Job Location: The Bridges, Balliol Business Park, Benton Lane, Newcastle upon Tyne.
