

Job Vacancy:

Production Operator

About us:

Advanced Ltd have been designing and manufacturing life-saving products for over 20 years, protecting iconic buildings across the globe and the people within. Our team members are passionate, driven and up for a challenge.

We are a wholly owned subsidiary of Halma plc, a FTSE 100 listed company. Halma is “a market leader in specialist safety, health and environmental technologies” and has a purpose of ‘Growing a safer, cleaner, healthier future for everyone, every day’.

The job:

Due to high demand we're looking for additional Production Operators to work within our manufacturing team. The main responsibilities for this role will be to assemble the Company's products, making sure the highest of quality standards are met.

The role will have some repetitive tasks from time to time when assembling components on the PCBs (Printed Circuit Boards)

What we're looking for:

Ideally, candidates will have some experience in manufacturing and be able to demonstrate skills in areas such as:

- Understanding of assembly build documentation
- Electronic component recognition
- Hand soldering
- Use of hand tools
- Final assembly and test

About you:

While knowledge of electronics assembly is a strong advantage, we believe firmly in getting the right people, with the right attitude. We'd love to hear from you if you:

- Are a great team player who works well both alone and with others
- Have excellent attention to detail, with good eyesight and dexterity, and the ability to perform repetitive tasks accurately
- Are reliable and dependable
- Are eager to learn and develop new skills

What we offer:

- A 38 hour working week (Monday to Thursday, dayshift)
- Competitive pay rate of £13.27 per hour
- 20 days holiday plus bank holidays

Job location:

- The Bridges, Balliol Business Park, Newcastle Upon Tyne NE12 8EW
